Year 1 Phonics Screening Check 2017

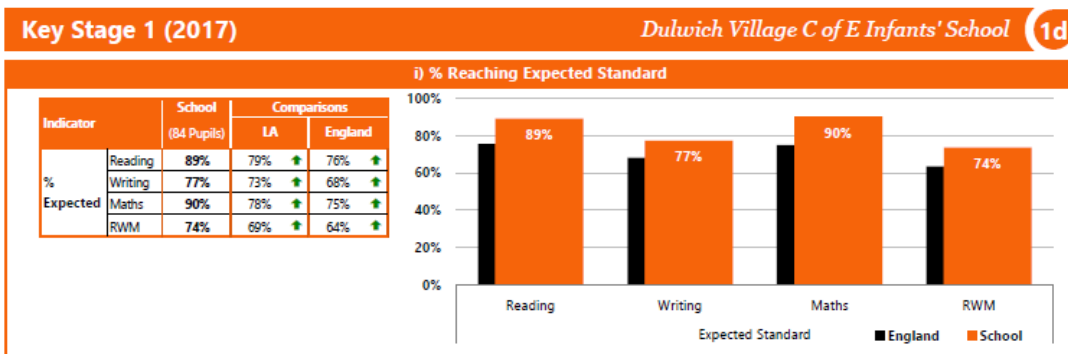

In Year 1 children are required to take a phonics screening check. This is a short, simple assessment to make sure that all pupils have learned phonic decoding to an appropriate standard by the age of 6. Children who do not pass the check in Year 1 are required to try again at the end of Year 2. See below for results.

89% of children in Year 2 who retook the test in summer 2017 passed, which compares well to achievement in the Local Authority.

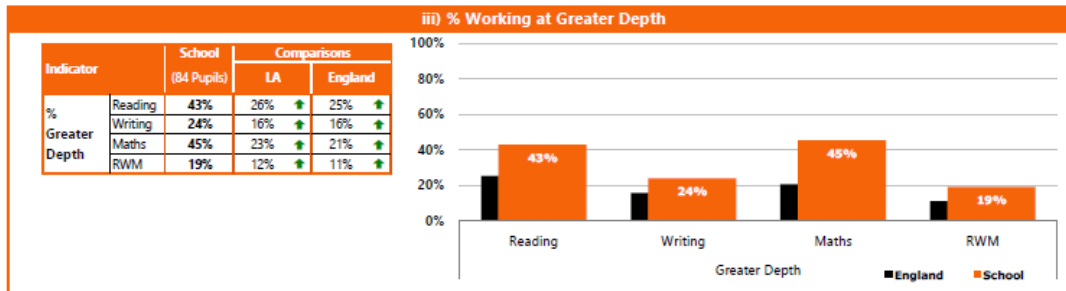

Year 2 Attainment

In the summer term of Year 2, teachers assessed every child against the performance descriptors in the interim framework. See below for our 2017 Year 2 attainment results.
